

## Documents on Employee's QapMap Dashboard

Modified on: Tue, 28 Jun, 2022 at 1:28 PM

QapMap Documents tab helps you access the key documents, statements and guides shared with you by your employer. The types of documents that your employer may share with you can include Equity Plan Rules, FAQs, Tax Summaries and Investor Updates.

Please note you cannot add or edit any documents, but you are able to view and download the documents that are shared by your employer.
